Anti-BJP wave on across nation: Stalin

CHENNAI: Chief Minister M K Stalin on Thursday said there is a nation-wide 'wave' against the BJP-led regime at the Centre and expressed confidence of a big win for the opposition INDIA bloc. Writing to cadre on preparations needed for the 2024 Lok Sabha polls, Stalin said the DMK shouldered the responsibility to protect not only Tamil Nadu but also 'India.'

The DMK's hard work is not only for the sake of its victory but for the 'liberation' of people; to save them from the BJP which has been 'accused' by the CAG report of '7.5 lakh crore corruption.' Party workers should take up door-to-door campaign, which is also to expose the 'unholy alliance,' between AIADMK and BJP. Stalin reiterated his accusation that the AIADMK pretended to have snapped its alliance with the saffron party. In 2022, the DMK chief said he came up with the slogan of 'all the forty (39 LS seats in TN and the lone segment in Puducherry) is ours and the country is ours too,' and accordingly, strategies have been fine-tuned.

Stalin told party cadre to create awareness among people on a slew of government welfare schemes. As party chief, he would be monitoring the work of all the office-bearers. Also, he would be evaluating the electoral scenario in all the constituencies. He outlined party's initiatives such as bolstering booth committees and appointment of observers at the level of all the 234 Assembly constituencies.

The signature campaign against NEET, led by Udhayanidhi Stalin has evoked an overwhelming response among people. The DMK chief exhorted cadre to work for the grand success of the youth wing's state conference in Salem on December 17. PTI
